our alderney ethos

At The Georgian House we have community and working responsibly at our core - a huge part of this is championing our bountiful Alderney produce wherever possible. We are proud to work closely with a handful of wonderful on-island producers: Kiln Farm and their out-of-this-world beef and dairy and Rose Farm's tastiest of lamb. Our seafood is sourced mainly from local waters caught by local fishermen, with Alderney shellfish being renowned as some of the best in the UK. For the veggie-lovers we source beautiful organically grown vegetables from Alderney Roots. For more information on our producers and growers, ask one of our team.
